关于转发香港博士研究生奖学金计划有关资料的通知

各高校办公室：

近日，我办收到省港澳办转来的关于香港博士研究生奖学金计划有关资料，现将有关情况转发你们。主要内容如下：

为吸引世界各地优秀的研究生来香港修读博士学位，大学教育资助委员会（教资会）属下的香港研究资助局于2009年成立“香港博士研究生奖学金计划”，资助研究生于受教资会资助大学修读以研究为本的博士学位的课程。获选的研究生将获得每月港币2.81万元的津贴，及每年港币1.4万元的会议及研究获得交通津贴，为期三年。凡有志报读相关大学全日制博士学位研究生课程的人士，不论国籍、工作经验和种族背景，均可申请。2025-2026年“香港博士研究生奖学金计划”于9月1日-12月1日接受申请，共400个名额。

详情请浏览教资会网页：www.ugc.edu.hk/hkphd 或电邮至 hkpf@ugc.edu.hk。

请各高校通知有意愿的学生积极申报，并将后续申报奖学金计划成功的情况报我办备案汇总。

2025 / 26 HONG KONG PhD FELLOWSHIP SCHEME

Experience world-class academic programmes and research opportunities in Asia's World City

Established in 2009 by the Research Grants Council, the Hong Kong PhD Fellowship Scheme aims at attracting the best and brightest students in the world to pursue their PhD programmes in Hong Kong's universities.

The Fellowship Scheme will provide a competitive annual stipend and conference and research-related travel allowance per year up to three years.

Initial application is accepted from 1 September to 1 December 2024 (12:00 noon Hong Kong Time (GMT + 8 hours)).

For details, please visit
www.rgc.edu.hk/hkphd

Welcome Message from the Chairman, Research Grants Council

The Research Grants Council (RGC) of the Hong Kong University Grants Committee (UGC) is committed to promoting world-class research in Hong Kong. Through our PhD Fellowships, Hong Kong's outstanding universities offer research opportunities in a broad range of PhD programmes, with generous stipends and excellent support for the best and brightest students in the world. On behalf of the RGC, I proudly present to you the Hong Kong PhD Fellowship Scheme 2025/26.

Established by the RGC in 2009, the prestigious Hong Kong PhD Fellowship Scheme has brought over three thousand four hundred top students from around hundred countries/regions to Hong Kong to undertake PhD studies in our highly ranked universities in fields ranging from humanities, business studies and social sciences, to engineering, biology and medicine, and physical sciences. Following the success in the past fifteenth rounds, we are looking for talented people who wish to pursue their PhD studies in Hong Kong, and aspire to be research elites of the time to take part in the Sixteenth Round, study awards of which will commence in the 2025/26 academic year.

Hong Kong, long an international business and finance centre and a unique bridge between East and West, draws talent from all corners of the world. Our universities have strong dynamism and drive, with international faculty and students excelling in the forefront of research. Our Fellowship programme unites cultural diversity and a rich research environment.

Hong Kong's universities are extending the boundaries of various fields including sciences, engineering, humanities, arts, social sciences, medicine, biotechnology, business, and specialisations such as AI and robotics, infectious diseases, Fintech, urban green engineering, textile design, logistics and supply chain management.

Our universities host some of Asia's – and the world's – best facilities and programmes, from our world-class business management programmes to pioneering research in areas such as A.I. and data science, liver transplantation, nanoscience and new materials, computer engineering, China studies, clean energy and sustainable environment, Chinese medicine, and arts technology. With English as the medium of instruction and research universities steeped in international collaboration, research and career opportunities abound.

Being part of China and an Asia's World City, Hong Kong is an education and research hub in the rapidly growing Greater Bay Area. I encourage you to learn more about Hong Kong and the opportunities our universities present. A culturally rich, cosmopolitan city set amidst the sea and mountains, Hong Kong and its universities offer the world's best and brightest students an ideal place to study, live and work.

I look forward to welcoming you to Hong Kong.

Professor Timothy W. Tong
Chairman, Research Grants Council
Hong Kong, China

Who can apply

Candidates seeking admission as new full-time PhD students in the eight UGC-funded universities, irrespective of their country of origin, prior work experience, and ethnic background are welcomed to apply.

About the award

The Fellowship will provide a competitive annual stipend and a conference and research-related travel allowance per year up to three years¹.

How are awardees selected

Shortlisted applicants, subject to their proposed areas of studies, will be reviewed by one of the following two Selection Panels:

- Sciences, Medicine, Engineering and Technology
- Humanities, Social Sciences and Business Studies.

While candidates' academic excellence is the primary consideration, the Selection Panels will take into account factors such as the candidates' research ability and potential, communication and interpersonal skills as well as leadership abilities.

How to apply

Eligible candidates should make their **initial application** to the RGC through the online system at <https://cerg1.ugc.edu.hk/hkpfs/InitApplication.jsp> to obtain an **HKPFS Reference Number** before submitting full applications to their selected universities.

¹ Universities in Hong Kong normally start their academic year in September.

Initial application deadline

1 December 2024 at 12:00 noon Hong Kong Time (GMT + 8 hours).

Enquiries

For enquiries on the Hong Kong PhD Fellowship Scheme, please email to hkpf@ugc.edu.hk. For enquiries on admission requirements, eligibility criteria for research programmes, application methods and deadlines, regulations and policy of individual universities, please contact relevant universities direct.
